BOOK SYNOPSIS

Its not on any chart, but the tropical island of Cayo Loco is the perfect place to run away from all your problems. If youre looking for a license to chill, come along as cowboy Tully Mars takes his pony to the shore-on an unforgettable Caribbean adventure as colorful and wonderfully bizarre as cocktail hour at your favorite expatriate bar. From a lovely sunset sail in Punta Margarita to a wild spring-break foam party in San Pedro, Tully encounters an assortment of treasure hunters, rock stars, sailors, seaplane pilots, pirates, and even a ghost or two. Waking from a ganja buzz on the beach in Tulum, Tully cant believe his eyes when a 142-foot schooner emerges out of the ocean mist. At its helm is Cleopatra Highbourne, the eccentric 101-year-old sea captain who will take him to a lighthouse on a salty piece of land that will change his life forever. Once again, master storyteller Jimmy Buffett weaves a mesmerizing tale that combines both humor and emotional reflection. After all, one mans cathedral is another mans fishing hole. And in Jimmy Buffetts world, paradise is just a state of mind. After more than two decades of recording and performing music, popular singer-songwriter Jimmy Buffett splashed down into the world of books in 1988, when he cowrote *The Jolly Mon*, a childrens book, with his daughter Savannah Jane Buffett, who was then six. In 1989 he published his first stories for adults in *Tales from Margaritaville: Fictional Facts and Factual Fictions*, which was the longest-running New York Times and Publishers Weekly bestseller of that entire year. His next book, the novel *Where Is Joe Merchant?*, immediately hit #1 on the New York Times bestseller list, and in 1998, when his autobiographical book *A Pirate Looks at Fifty* was published, he became one of only six writers to have held the #1 position in the categories of both fiction and nonfiction on the New York Times bestseller list.
