BOOK SYNOPSIS

“Bruce Perry is both a world-class creative scientist and a compassionate therapist.”
—Mary Pipher, author of *Reviving Ophelia*
Born for Love is the definitive book on empathy. Renowned psychiatrist Bruce Perry has appeared on Oprah, CNN, National Public Radio’s *All Things Considered*, and other programs as an expert in this hot area of neuroscience, and has been cited as such in *Newsweek*, the *New York Times*, and *The New Yorker* (in a story written by Malcolm Gladwell). He and co-writer Maia Szalavitz explore empathy’s startling importance in human evolution and its significance for our children and our society. The authors of *The Boy Who was Raised as a Dog* present a powerful case that love is essential...and endangered.
