BOOK SYNOPSIS

"Laughing wild amid severest woe" perfectly describes the fiercely ironic comedy of Christopher Durang's *Laughing Wild* (which takes its title from this Thomas Gray quotation via Samuel Beckett) and the previously unpublished *Baby with the Bathwater*. In *Laughing Wild*, two comic monologues evolve into a man and a woman's shared nightmare of modern life and the isolation it creates. From her turf battles at the supermarket to the desperate clichs of self-affirmation he learns at his "personality workshop," they run the gamut of everyday life's small brutalizations until they meet, with disastrous inevitability, at the Harmonic Convergence in Central Park.
