BOOK SYNOPSIS

From the New York Times bestselling authors of *Stuck-Up Suit* and *Cocky Bastard*, comes a sexy new standalone novel. Money or love? Which would you choose? You probably just answered the question in your head thinking its an easy decision. For me, its not. Did I mention its a lot of money? A hell of a lot. I needed to go far away to think it through. As I embarked on an impulsive trip, I hit a detour when I met sexy Carter in the airport lounge. We struck up a heated conversation. Then, he left. I thought Id never see him again. But fate had other plans. Surprise! He was the pilot of my flight. The bigger surprise was the adventure that followed after the plane landed. Carter was dangerous and always on the move. Even though our connection was magnetic, I knew it was only temporary. He would give me tickets, and I would follow him around the world to exotic places. A bevy of flight attendant exes and rumors about Carters reputation were never far behind. I didnt know what to believe. But I was addicted. Nothing else mattered anymore. And I was going to get hurt. Because a part of me wanted to be the one to finally ground the playboy pilot. At the very least, he was taking me on a thrilling ride. All good things must come to an end, right? Except our ending was one I didnt see coming.

PLAYBOY PILOT - Are you looking for Ebook Playboy Pilot? You will be glad to know that right now Playboy Pilot is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
