BOOK SYNOPSIS

The eighth installment of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit television series coming to Netflix in Fall 2016. My name is Uhtred. I am the son of Uhtred, who was the son of Uhtred . . . Britain, early tenth century AD: a time of change. There are new raids by the Vikings from Ireland, and turmoil among the Saxons over the leadership of Mercia. A younger generation is taking over. When Æthelred, the ruler of Mercia, dies, he leaves no legitimate heir. The West Saxons want their king, but Uhtred has long supported Æthelflaed, sister to King Edward of Wessex and widow of Æthelred. Widely loved and respected, Æthelflaed has all the makings of a leader—but can Saxon warriors ever accept a woman as their ruler? The stage is set for rivals to fight for the empty throne. With this eighth entry in the epic Saxon Tales series, we are reminded once again why New York Times bestselling author Bernard Cornwell is "the most prolific and successful historical novelist in the world today" (Wall Street Journal).

THE EMPTY THRONE A NOVEL SAXON TALES - Are you looking for Ebook The Empty Throne A Novel Saxon Tales ?
