BOOK SYNOPSIS

Sorry old sport, but Gatsby has a bigger house than you, prettier friends than you and a Rolls Royce to cart them all round in. To a backdrop of popping champagne corks and orchestral jazz, our hero bids to buyout his old adversary, perennial jock, Tom Buchanan and reclaim Daisy, his favourite bit of High Society totty. Pulp! The Classics is a new imprint that gives the nations favourite classic novels original retro covers in a pulp fiction style - with a dash of wry humour. Redesigned and reset, using the original unabridged text from some of the best writers that have ever lived, Pulp! The Classics promises readers their favourite books with stunning and highly original jackets.
