BOOK SYNOPSIS

"The Things We Do" is about a young lady that seems to have everything going her way, that is until an incident happens and she is left without a clue about what to do. She has to get herself together and cope with the incident, and move forward while maintaining her sanity, looking for love, as well as continuing to try to maintain the life she has become accustomed to. Real life issues with real life answers, this book could be any of us, at any given time.
